

AVS Verkehrssicherung acquires Traffics A/S

Kürten (Germany) / Gadstrup (Denmark), 10 December 2018 – AVS Verkehrssicherung (AVS), a Triton Fund IV company, has acquired Traffics A/S (“Traffics”), a Danish provider of construction site- and traffic security, headquartered in Gadstrup (Denmark). The purchase price has not been disclosed.

Founded in 2006, Traffics offers complete solutions, services and equipment for construction sites- and traffic security. Its customers are road construction companies as well as public works and communities.

“We have a long standing business relationship with Traffics based in trust. Together, AVS and Traffics can offer a wide range of products and services which cater to the highest demands of customers in the Danish market;” comments Dirk Schönauer, Managing Director at AVS.

About AVS Verkehrssicherung

AVS Verkehrssicherung is a leading specialist provider of highway traffic safety services in Germany. The Company, headquartered in Kuerten, offers all essential services throughout highway traffic-safety projects. These services range from initial planning and obtaining permits to complete construction site setup and security. AVS has a nationwide presence with 16 locations across Germany and around 600 employees.
