

## **AVS Verkehrssicherung has signed an agreement to acquire Implenla SVA GmbH**

Kürten/Saarbrücken (Germany), 24 January 2020 – AVS Verkehrssicherung („AVS“), a Triton Fonds IV portfolio company, has signed an agreement to acquire Implenla SVA GmbH („SVA“), a renowned provider in the field of construction site safety based in Saarbrücken. Terms and conditions of the transaction are not disclosed.

SVA, based in Saarbrücken, employs 30 people. It has many years of experience in building site security and road marking and is part of Implenla Modernbau SVA Straßen- und Verkehrssicherungs-Anlagen GmbH. Today the company is part of Implenla Modernbau GmbH, which belongs to the Swiss construction service provider Implenla AG. In addition to its key focus is Saarland, SVA is also active in Rhineland-Palatinate and Luxembourg. It works closely with state developers, cities and municipalities, as well as private construction companies.

“SVA is known as a reliable provider. For the AVS Group, this acquisition is an ideal extension in Saarland to the services we offer,” explains Andreas Schwingeler, COO of AVS.

“As part of AVS we can use our regional knowledge and contacts more effectively and react to the increasing and cross-regional customer requirements,” emphasizes Jörg Huwig, Managing Director of Implenla SVA GmbH.

### **About AVS Verkehrssicherung**

AVS Verkehrssicherung is a leading specialist provider of traffic safety services in Germany and Europe. The company is headquartered in Kürten and offers all essential services related to road safety projects. These include comprehensive advice and the necessary approval procedure for all traffic safety installations, as well as installation, marking work, maintenance & control runs, dismantling and demarking. AVS is represented throughout Germany at more than 20 nationwide locations. Internationally AVS has more than 10 locations in Belgium, Denmark and Latvia. AVS employs around 1,100 people.
